Getting Off the Ground

Hendersonville High School Bearcats is a well-known name in Henderson County, Western North Carolina and the State. The reason is simple. HHS is UP, UP & AWAY in everything we do. We pride ourselves on our "Touch of Class" and, with enthusiasm, we have achieved recognition. We excel in academics, clubs, sports and the arts; for example-the Marching Band received it's twenty-fourth superior rating this year. Despite a frustrating season, our football team demonstrated "Character" impressive to those in contact with them.

This year we continued our journey to the top, sometimes encountering rough winds now and then but always relying on each other to put ourselves back on course. Excitement and anticipation filled the hearts of the students at HHS for the new year. Seniors enjoyed Freshmen Initiation, which was fun while it lasted! The first day of school was unique — the Seniors paraded to school with balloons, posters, and horns, ready for a big year. All students entered the auditorium, sat in newly acquired seats, as Freshmen, Sophomores, Juniors and Seniors. As Mr. Wilson welcomed us back, we realized summer was over! Then off to classes, we were issued books, and encouraged to learn as much as possible in order to develop our own personality. The faculty worked hard to push drifters back in the right direction.

We knew the year would surprise us as we continued to rise in our "Balloon of Success."

Seniors welcomed the students back to HHS.

Our Home Town

Hendersonville is the City of Four Seasons and the home of the HHS Bearcats. A southern town, nestled in the mountains, it exhibits a down-home friendliness for those who live here. A hike in the Blue Ridge Mountains is just an hour's drive away. Many lakes, rivers and streams in the surrounding area offer excellent fishing, sailing and other water sports.

With the cool weather, sweaters and letter jackets make their way into the halls of HHS. Ski season is anticipated by the many local ski buffs, while others can only wish for spring, warm weather and summer vacation.

Small town activities are the pastimes of many of the students at HHS. Cruising Main Street and checking out the scene at McDonald's are a must on a Saturday night. Spring, summer, fall and winter, the Bearcats make their imprint on the "City of Four Seasons."

Digging into the food, Bob Finnie enjoyed the dinner hosted by the Varsity cheerleaders.

Apples Are It

The Apple Festival is an annual event which celebrates the yearly harvesting of Henderson County's main cash crop — apples! The festival involves many traditional and festive events concerning all phases of the season. HHS is actively involved in the main activity of the celebration, the King Apple Parade. The Hendersonville Marching Band, directed by James Stokes, proudly represented our school with a variety of marching music. The Varsity and Wrestling cheerleaders presented an array of cheers for the crowd. The school clowns put on their make-up to entertain the youth of Hendersonville.

Wendy Wilkins, 1982 Junior Miss, represented our school in the community, parade, and other festival functions. Area tennis players displayed their skills in the Annual Apple Jack Tennis Tournament, and runners participated in the Marathon.

The Wrestling Cheerleaders have one last moment to relax before cheering for a record crowd.

The Watermelon Blast!

Lifting off the new school year, the watermelon blast was a tremendous success. It created an atmosphere of unity among the students and faculty which set the tone of spirit for the 1982-83 school year.

The Student Council worked hard again this year to provide the Bearcats with a fun-filled event. Juice and seeds flew through the air as people bit into the refreshing melon. This blast was a way of saying a last good-bye to summer and realizing that school was actually here.

Catchy sayings and creative ideas are outcomes from spirited posters. Carol Konslor works on a poster for Homecoming Week.

Bearcat spirit soared like balloons.

We Got The Beat

"HHS Hats off to you. To our colors, true we will always be. Firm and strong, united are we. Rah, rah HHS rah, rah HHS . . . Hoorah for HHS!" The school song continued to be sung loud and clear through victory and defeat because the Bearcats stood together.

Spirit climbed throughout the year. The Sophomore and Junior classes dominated in showing the most spirit. All classes made their presence known at Pep Rallies and ballgames. Bearcat fans came out with Red & White, bandanas and enthusiasm to cheer the Cats on to victory.

The Bearcat team demonstrated unity by raising their arms during the fourth quarter of each game. Coach Brintnall had originally began this to encourage the team to keep playing their hardest. At each game, the symbol of the raised arm became more evident and referred to as "fourth quarter." The fans, led by the cheerleaders, picked up on "fourth quarter" and waved the red and white bandanas high in the air.

One highlight of showing spirit was the cropping of hair by Bearcat men. Pep Board continued to boost the 'Cats by selling spirit towels. Throughout the year, the Bearcats together rose to the occasion.

The 1982-83 cheerleaders led the cheers boosting Bearcat spirit.

After a week of hard work, the Juniors received the Spirit Stick.

At the Catbacker's pep rally, the football team anxiously waits to be introduced.

FEATURES

At Hendersonville High School, students shared in many fun-filled events. The biggest is Homecoming Week. The spirit began on Monday with "Let's Get Physical Day". Students wore sweatshirts, headbands, leg warmers and other "physical" attire. The Freshmen had the highest class participation that day. Tuesday was bandana day. The bandanas, any color, could be worn around head, neck or thigh. The winning class was the Freshmen. For the last week, thirteen beautiful girls (boys) had been selected for Powderpuff Beauties. Pennies were placed in the jars by the students. The "girls" with the most pennies won. Tuesday night was the Annual Powderpuff Game.

Wednesday was a formal dress up day. Inductions into the Valentine Chapter of the National Honor Society were held during second period. Red and White Day and Hall Decorating contest were scheduled for Thursday. This event was won by the Sophomore class.

Students had Friday off from school, but not from spirit or many other activities. The Keywanettes held a Halloween Stew for the teachers, and the Student Council was decorating for the Homecoming Dance. A field decorating contest was held. All banners, made of a wind resistant material, were to be up by the beginning of the football game that night against Madison. Each class was given a designated area of the fence. The Seniors won with their banner saying, "Cats are on the Prowl."

250 tickets had to be sold in order for the students to have a Homecoming Dance. The task was accomplished, and the dance was held Saturday Night, October 30. The theme was "That Old Black Magic." Spirit soared in all the activities and were enjoyed by all.

Bearcats joined together in these activities. Sometimes competition was rough but the 'Cats always rose to the occasion. We showed our spirit, creativity and ability in all the activities done at HHS.

"Fourth Quarter" pulls the Bearcats together.

The Tuesday night of Homecoming Week hosted a favorite annual event at HHS; the powderpuff game. After long, hard practice sessions for each team, the Freshmen-Juniors faced the Sophomores-Seniors. At halftime, the powderpuff beauties were presented and the court was announced. These lovely ladies were chosen with penny votes (each penny counted as a vote), with voting taking place in front of the *Laureate* room for several days prior to the game. A halftime show with the cutest "girls" in the band serenaded the fans. The game resumed and the players worked hard as the cheerleaders cheered their teams to a victory. In the end, the Sophomore-Senior team triumphed, to send the Seniors off with a winning year.

The Hendersonville Times News wrote in the October 30 newspaper. Crowned Friday night during halftime festivities, Rose Rodriguez was selected as HHS's 1982 Homecoming Queen. "I was excited when they called my name. I felt happy and surprised," Rose commented.

Rose has been active at HHS, and before that, Rugby Junior High. She has been on the Homecoming Court for the past three years. She has participated in FHA, track, art, DECA, and Thespians.

HALL OF FAME

A student who has shown outstanding achievement in a specific subject area is selected to the Hall of Fame. They have earned this recognition by going beyond the requirements of a course and attaining the highest level of performance. Congratulations to all of the students in the 1982-1983 Hall of Fame.

Miss Laureate

Miss Laureate is a senior girl, chosen by a committee of faculty members who know and have worked closely with the senior class. The committee selects a girl who has outstanding qualities of beauty, academic achievement, school spirit and service to the school.

The 1982-83 Miss Laureate is Wendy Wilkins. She has participated in many school activities including Marching Band and Student Council while maintaining an excellent academic record. Wendy has represented the school in the Hendersonville community through performances in Chorus and Drama. We congratulate our Miss Laureate, Wendy Wilkins.

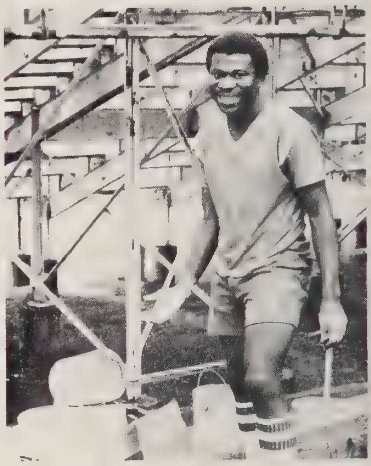
Terry Jamison pleads for a break from painting.



Remember what it was like to be new around here? The place seemed a little bigger then, and though we never admitted it, a whole lot scarier. For a while we wondered how we were going to fit into this strange, super-sophisticated world, but now we wonder what we were worried about.

What an assortment of unforgettable characters we met here. There were classmates we liked from the start, and those who took a little getting used to. There were teachers we enjoyed, and teachers we survived. And of course there were upper class celebrities — like the "Southern Men of '80" and the "Buns" — who awed us with their style.

Naturally, being the lower class innocents, we were hazed. For a week we were rushed from lunch to perform on the sundial or stopped in the halls to carry "just a few books"; and after that, we were basically ignored.

There was always the problem of "getting there". Some of us were lucky enough to hitch a ride with a driving friend, but we usually had to stay at home. With the advance of the Sophomore year came the Driver's License, our key to the world.

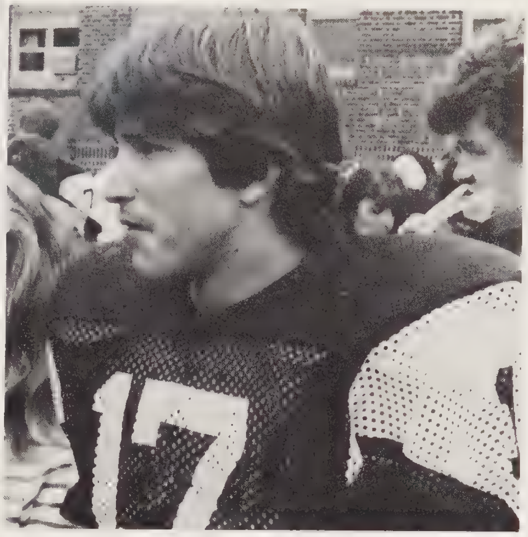
As Sophomores we shed the image of shy children. As a class we took on the ways of an unleashed hurricane, our SPIRIT striking violently and at random. No one will forget the vicious battle for the Croft Cup. The hours spent around HHS taught us that school was more than ballgames and homework. We learned that soon *we* were to be leading, presiding, and setting the examples.

"And then I sneaked up behind her, and . . ."

Homeroom is *always* so interesting!

"Oh, Mickey, you're so fine/ you're so fine you blow my mind/ hey, Mickey!"

Cam Russell shows that the weather was warm and the party was hot that day at *B.H.*



The third year arrived, and we remained determined to keep up the furious pace we had set the year before. We soon found out, though, how busy the Junior year is. Wednesday nights were spent in the library working on that dreaded research paper. Our hobbies included mastering the art of passing off fake notes, spending eight hours a day polishing our class rings, and reading *Moby Dick* Cliff Notes. We scrupulously saved our lunch money to provide for the 1982 Junior-Senior Prom and prepared ourselves to "grab a few flowers" from unsuspecting neighbors' yards.

With the coming of spring, '82, we realized our days as underclassmen at HHS were numbered, and we thought desperately of ways to leave some sort of legacy behind. And then . . .

Sean O'Shields' expression is one of deep thought.

Finally, after surviving three years as underclassmen, years of adapting to high school life and learning how to make the most of it, we became SENIORS! In autumn, 1979, we entered HHS for better or for worse, and we remained close-knit and kept our spirit, with only occasional relapses, right up until May, 1983. Of course no senior could deny getting a little bit slack or could resist "visiting colleges", seeking off-campus "nutrients" or inventing plans to beat the new "skip once-get suspended" rule. After all, we deserved some privileges (even if we had to invent them ourselves). If we could handle T.E.'s English Class, Franklin's Physics class or Jackson's Calculus class, we could surely cope with a few privileges. This was our year — SAT's, Senior steps, marching in, early dismissal, those Friday lunches on the road, and the Senior Play all included, and when it came down to the wire, most of us had a good time. The years spent at HHS provided us with valuable experiences. We learned many things here, some useful . . . others that don't matter at all. But as graduation approaches and the sheltered life of HHS draws to a close, all these things seem to lose their importance and thoughts turn toward the future. We begin to think about where we are going with our lives. Priorities are arranged, values decided upon, and experience gained, giving birth to the maturity necessary for the world beyond HHS. The last few weeks will be filled with hard thinking and hard partying with old friends.

Each class likes to think of having left its mark on HHS, but as we look back and remember . . . autumns when all the excitement in the world flashed between two goal-posts; winters warm with the glow of holiday spirits; springtimes that dazzled us with the promise of freedom; long, lazy summer vacations . . . we look back and remember . . . the people, friends who stuck it out and those who faded into only a memory, best buddies, old flames . . . we look back and remember . . . various courses, teachers, ball games, dances, parties and all the other happenings that made our four years of high school. We will realize that it was HHS that left its mark on us forever, for better or for worse.

Those seniors who have proven themselves outstanding throughout their high school careers are chosen to become members of the *Who's Who in American High School Students,* a very distinguished honor. They are selected on the basis of service to the school, whether through academics, arts, sports, or leadership. A committee of faculty members nominates note-worthy seniors, takes the list of nominees to a full faculty meeting, and holds a discussion. The faculty then votes on a small group of twelve-year students to receive this honor.

JUNIORS SHOW SPIRIT

Ordering rings . . . powderpuff . . . PSAT's . . . "truly" . . . best friends . . . Junior Class meetings . . . Competency Tests . . . Miss Perry . . . Honor Society Inductions . . . painting paws . . . Research papers . . . Trig . . . Spirit Stick . . . Chemistry U.S.A. . . . SAT's . . .

For the Class of '84 the Junior year seemed to be the busiest yet. In addition to the numerous traditional responsibilities put upon their shoulders, the Junior Class had dedicated many extra hours to the school. Though this was the third year this group had attended our school, the class of '84 never stood out before like it did this year. They realized it was time for them to unite and become a distinguished class.

After getting over the pleasure of finally being upperclassmen and catching their breath at the realization that their Senior year would soon be upon them, the Juniors buckled down to *Moby Dick*, the last 500 Vocabulary words, that feared research paper, and the grand finale, the Junior-Senior.

Through all of these new challenges and privileges the Juniors were growing and changing. With each new experience, they became closer to their final challenge, their senior year. But until then, they were ready to prove that they were much more than a spirited group of Bearcats, they were the Class of '84.

That's Juniors for you — Always sticking together.

SOF́-a-môr

Sophomore is the term given to 2nd year high school students — *sophos* is Greek, meaning "wise"; *moros*, also Greek, means "fool". The word *Sophomore* seems to imply "sophisticated moron", a contradiction. Yet if we look at the term a little closer, we could infer that it suggests the transition into maturity. Though most of us are not fully aware of it, we do quite a bit of growing up in this year.

At first glance, the Sophomore year appears rather uneventful. After all, what can we do except anticipate getting our driver's licenses? But once we delve into our second year at HHS, we find that this assumption is incorrect. The flurry of activities can overwhelm us! The 1982-83 Sophomore Class seemed to be involved in everything. Their unending, powerful SPIRIT showed in their participation in various organizations, clubs, and sports. From the poster-filled 2nd floor hall to the vicious struggle for the Croft Cup, the Sophomores put their all into everything they did this year, continuing the pride they had the year before. With added responsibility (and a weekly addition of forty words to their vocabularies) the Class of '85 has proven to be true Bearcats.

WHAT IS A FRESHMAN?

At first it seems that the people at HHS are all lumped into one category: students. But viewed at closer range it becomes evident that far different classes exist. The top-ranking three are easily distinguished, but the Freshmen are the easiest to spot.

The Freshmen appeared lost at first — usually when looking for the fourth floor pool — but actually they were amazed. They began their perilous journey through high school life with much anticipation and enthusiasm. They were there at the ballgames yelling their brains out; they also sat in the bleachers and looked for rides "to go out" afterward. They could always stay home and read *Romeo and Juliet* or do their geometry homework, some practiced their instruments faithfully; others worked out in the gym, preparing for the game, match, or race. Most had a good time. They soon learned that high school means hard work, whether they did their homework or thought up excuses for not doing it.

The class of '86 was fortunate in that they received very little hazing, although an unlucky few were commanded to perform embarrassing stunts before the "hands off" rule was established.

All in all it was nice to have the freshmen around. They brought a new and fresh feeling to the school. And even though they didn't know the words to "The Red and White" they soon learned them, both forward and backward.

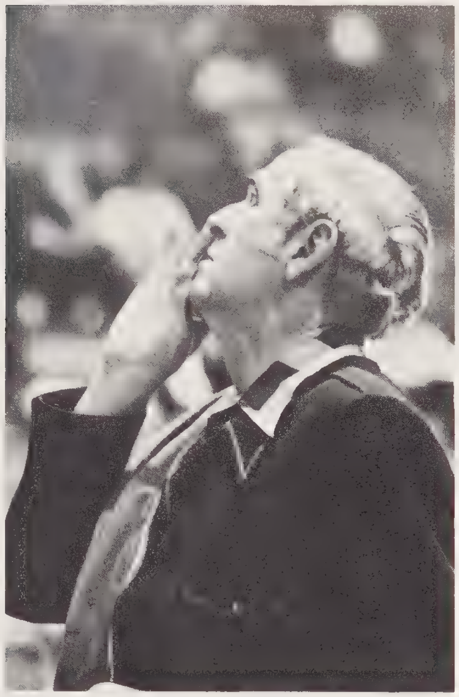
TEACHER OF THE YEAR TEACHER OF THE Y

DEDICATION DEDICATION DEDIC

Deskwork is only a part of Coach Pardue's daily routine.



With his red towel on his shoulder, Coach calls instructions to the team.

The 1982-83 *Laureate* is dedicated to Coach Jim Pardue for his many contributions to HHS. He has worked with students in the classroom, in the area of sports and as an administrator. He has brought to each area a sense of humor, fair play and caring for the people he works with.

Coach Pardue is perhaps best known for his work as Head Basketball Coach, a position he has held since 1967. Across the state, he has gained recognition for producing outstanding teams year after year. He has been named Western North Carolina Coach of the Year four times and, in 1972, led the Bearcats to the state AAA championship.

Coach Pardue has served as Vice-Principal at HHS since 1980. As an administrator, he encourages the high standards of behavior that the school and community expect from its students. We dedicate the *Laureate* to Coach Pardue in thanks for his service to our school.

Coach strikes a casual pose in the office.

On the court, he trades the tie for sneakers.

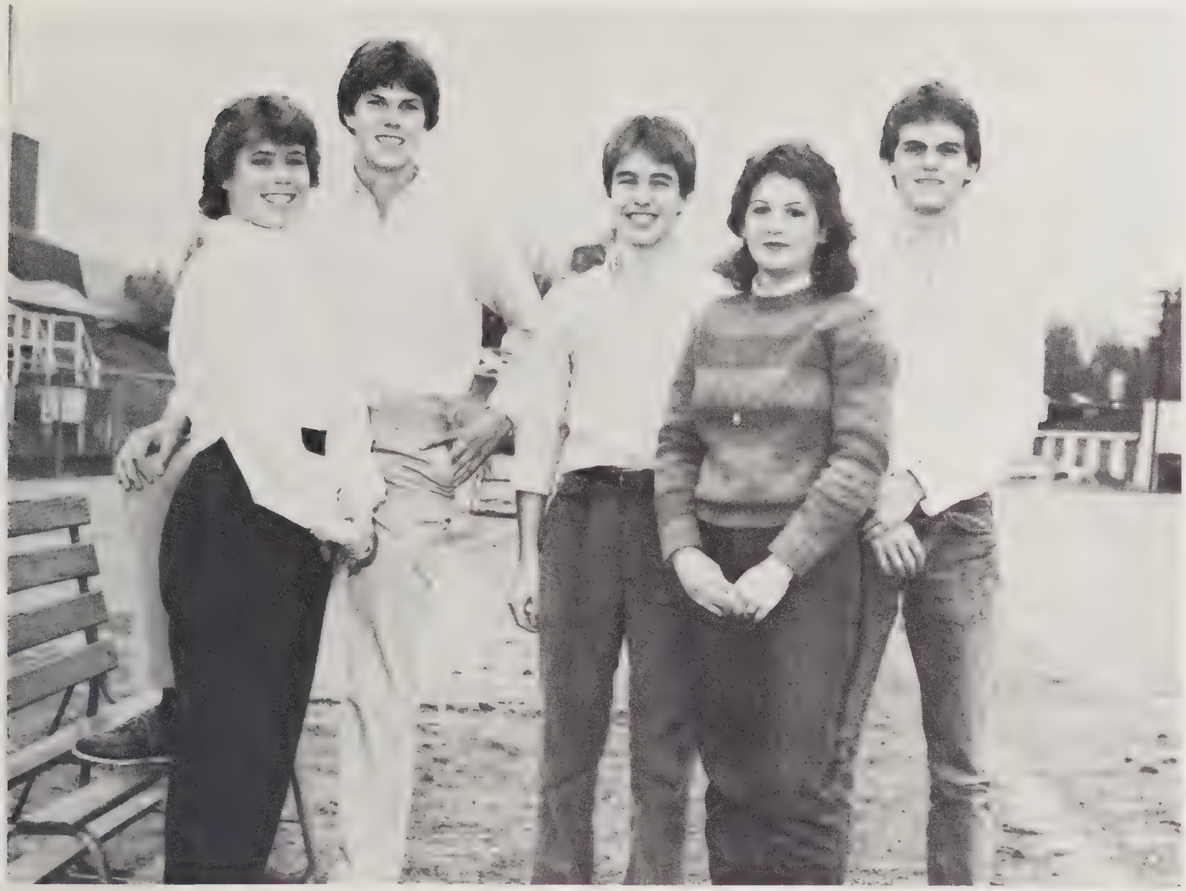
The Student Council is a group of students elected by the student body, who plan activities for HHS. The Council represents the students and brings new ideas to the administration.

Some of the activities this year included the Watermelon Blast, Soc-hops, assemblies, the magazine drive, and the Homecoming Dance.

The Student Council is sponsored by Mrs. Hannah Edwards and Mrs. Mary Beth Fender.



Officers L to R: Jan Sitton, President; Chris Cosgrove, Vice President; Scott Stokes, Vice President; Susan Stokes, Secretary; Frank Marshall, Treasurer.

KEYWANETTES

The Keywanettes started their year out early by taking a trip to Myrtle Beach. Some memories for the girls: Scottie . . . Misty Blue . . . Brejettas Chair . . . ABC . . . Seaboard . . . Leroy . . . Peeping daddies. The club has done several projects for the school, including a luncheon for the teachers and a submarine sandwich dinner to raise money for the girls track team. They have prepared baskets for the needy and winterized homes for the community. During football and basketball seasons the girls showed their spirit by making and wearing spirit tags. The girls also helped the Red Cross with a Bloodmobile. Mrs. Sharman Norman is the sponsor.

The Drama Department and Thespians were involved in many exciting productions this year. The Drama Department entertained the student body and important guests with the performance of "Marigolds." This performance dealt with the scenario of an everyday classroom. In November Mr Orr directed the North Carolina Theatre Conference in Winston Salem and took Thespians John Strickland, Cathy Sheehan, Wendy Wilkins, Ellen Creech, Rob Morin, Frank Marshall and Craig Justus to act as go-phers.

During Christmas, Thespians and the Drama Department performed for the school "A Charlie Brown Christmas". The performance was excellent and helped brighten the Christmas holidays.

Auditions were held in January for a singing and dancing group that will perform for the student body and the public. The Drama Department and Thespians of 1983 are keeping the tradition of "Bearcat Class".

Once again, the HHS Band received a superior rating for it's 24th consecutive appearance in state competition. They upheld their reputation for being an excellent band which prides itself on musical and technical proficiency. Congratulations to Mr. James Stokes, director, and to the 1982-83 band members for adding a "touch of class" to our school.

FRENCH & SPANISH CLUBS

The foreign language clubs of HHS were active this year. The Spanish Club held a pinata breaking party. They also corresponded with foreign pen-pals. The French Club went hiking at Looking Glass Falls. In December the club visited the Biltmore House to see the Christmas decorations. Club members view films and hear lectures about different countries around the world. Any student taking French or Spanish at HHS can join a foreign language club. Miss Lois Gibbs sponsors the Spanish Club and Mr. Dale Lappin sponsors the French Club.

The North Carolina Vocational Industrial Clubs of America, (VICA), is a youth organization designed for students of Trade and Industrial Education. All local members are eligible for membership in the state and national associations.

The local chapters and the State Association meet periodically to provide opportunities for the members to participate in educational, social, recreational and vocational activities. Participating members develop leadership, self-confidence, personality and poise.

DECA – LITERARY – SOCCER

The Distributive Education Clubs of America, (DECA), is an organization designed for students enrolled in DE.

The Club members visit local businesses to learn current business practices. Some of the activities included a pizza party, the annual picnic, and projects to provide Christmas gifts for the needy families.

The Club competes in different aspects of the retail business with other schools in District VIII. There are two District competition levels, state, and national.

The Literary Club members work hard to publish *Socko,* a magazine of students writings. The Club meets once a month to plan activities and study techniques of writing. This year the club attended an authors exhibit at UNC-A and held a dinner at the *Vera Cruz* restaurant in Asheville. The Club is sponsored by Mrs. Beverly Russell.

COACHES

Coaching is a job which takes hours of standing in cold winds, hot sunshine, and crowded gyms. Coaches spend hours making decisions which may influence the outcome of a game. Coaches have many friends when they are winning and many lonely hours when they are losing.

The coaches of Hendersonville High School represent dedication. They never have a losing season in the ways which really count, dedication to principles, ideals and hard work. They keep the winning tradition going with their "touch of class". It's not an easy job.

FOOTBALL

Varsity football, headed by Coach Brintnall, finished with a record of 4 and 6 overall. Lack of seniors and a rash of injuries were some of the problems faced by this year's team. The Bearcats had a 3 and 3 record in conference play.

This season was long and tough. Despite having few fans in the bleachers, neither players nor coaches gave up. After losing to rival West Henderson, they were able to end the season on a positive note by winning their last two games, including the Homecoming Game.

VOLLEYBALL

Coach Streeter, with three seniors on the squad, was optimistic entering the '82-season. Led by captains Sally Jane Thompson and Cathy Black the Lady Bearcats finished 9 and 8 overall. The season exemplified much improvement over last year's winless season. In conference play, the Cats ended with a 6 and 6 record and tied for third place. The team also took second place in the County Tournament. The team will lose Cathy Black, Gloria Taylor, and Sally Jane Thompson to graduation. Many thanks are extended to them for all their hard work and dedication over the past years.

CROSS COUNTRY

With no seniors on the team, Coach Jackson had to look for juniors to lead the squad. Evidently they did very well because this year's team earned second place in the conference.

Though they started slow, much improvement was seen during the course of the season. So much hard work and effort was devoted to their running, that they were County Champs and also qualified for the Western Regional Cross Country Championship. With little support from fans, this young team did extremely well.

VARSITY BASKETBALL

There was much anticipation for the 1982-83 basketball season as four of last year's starters returned to lead the squad. The Bearcats kept their audiences entertained with slam dunks from sophomore Tony Templeton, Barnette Bailey and Thane Gash. Excitement mounted during games in which the 'Cats came close to breaking 100 points. During the Christmas holidays, the 'Cats won the County Tournament by defeating West Henderson in the final round. The team will lose five seniors this year as Doug Benjamin, Thane Gash, June Hutchinson, Stephan Crisp, and Barnett Bailey graduate. Thanks are extended to them for their contributions to Bearcat Basketball throughout their four years at HHS.

CHEERLEADERS

The Varsity Cheerleaders represent HHS and its way of life. Throughout football season and basketball season, these girls maintain their enthusiasm by boosting school spirit within the student body. Cheerleading is a position of leadershp; it is a way to give support to the team; it is a way to direct involvement in the school; and it is a way of life.

Spirit would not have been the same without the classes. Much praise goes to the Sophomore and Junior classes for their enthusiasm and battle over the Spirit Stick. Pep Rallies had the best attendance ever. Everyone came to the games in red and white with the bandanas waving high. Spirit led our teams on to victory.

J.V. BASKETBALL

Coach Bobby Wilkins did a fine job with his Junior Varsity team in spite of playing to sparse crowds. The JV years are very important to a young player. During this time he will learn and polish skills which will be used in Varsity Basketball. Players to look for on next year's Varsity squad are Anthony Ivey, Rusty Moore, and Terrance Heyward. This team is to be commended for a fine 1982-83 season.

WRESTLING

Coach Tom Murray's wrestling team received more support from fans this season than in years past. This may have helped the grapplers achieve such a fine season. Lead by seniors David Kitts and Paul Bonesteel, this year's team did much to spur support for the wrestling program at Hendersonville High School. The team will lose David Kitts, Paul Bonesteel and Eric Jackson to graduation. Many thanks go out to them for their hard work and dedication.

WRESTLING CHEERLEADERS

The Wrestling Cheerleaders should be given much credit for their help boosting the morale of the Wrestling team. Five girls make up the squad and long hours of practice are evident in their cheering on the night of a match. The girls promote spirit during the season by decorating the halls, making buttons for the team members and baking goodies for the boys to enjoy during the break. STUDENT LIFE

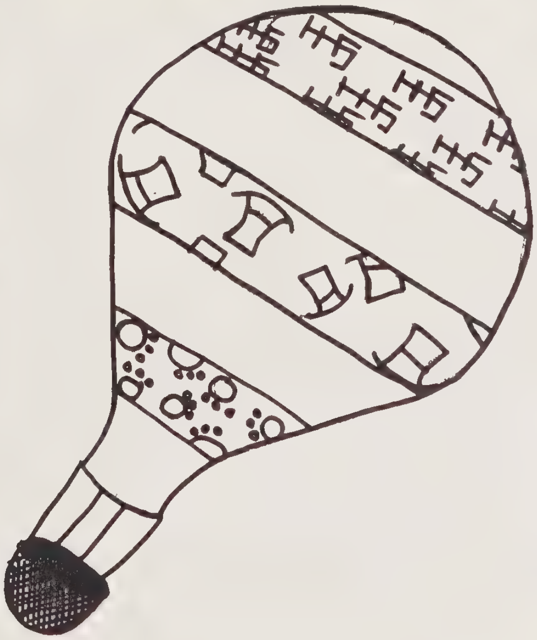
It's time to relax while eating lunch.

[illegible] McCarthy and Traci Overgaard rest for a moment.

Floating in Air

Sammy Thompson concentrates on his game at the skating rink.

Jackie Rudisill and Sharon Bynum have fun together.



Brother, can you spare

Autumn in Hendersonville is the season of contrasting shades and colors. The dominate colors at HHS during football season, however, will always remain red and white.

When game days rolled around in 1982, proud Bearcats showed spirit by buying victory ribbons. With inflation bringing the cost of living to an all-time high, the victory ribbons still remained at the traditional price of 10¢. Students unselfishly sacrificed weekend money to show class spirit. Although class competition was tough, Mrs. Edwards homeroom once again sold the record number of ribbons which earned a free lunch at Jimmy's Pizza.

Selling victory ribbons was one of the LAUREATE'S major fund raisers and was, therefore, very successful. The staff counted and pinned each ribbon in preparation of sales, and every Thursday the staff performed skits promoting sales for Friday morning.

Selling victory ribbons to support the Bearcats was just one way for the students to show BEARCAT PRIDE!!

LAUREATE students perform one of their infamous Thursday afternoon skits.

and what did you do this summer?

It was time to hit the beach, swim, play tennis and golf. Summertime for most teenagers in Western North Carolina means total freedom from the "tedious drive" of school life. School life for the H.H.S. Bearcat, however, remains a key element in the wonderful world of growing up. Many H.H.S. students spent their summer vacations working together with one another or representing their school with pride and honor.

Although the roads of summer led us in many different directions, we all touched base with friends from our Alma Mater at one time or another during the scorching summer of '82.

Paul Bonesteel drove his bicycle across the country to benefit Multiple Sclerosis.

Scott Stokes was one of the few students in the United States to be chosen to play in the 1982 National Honors Band in Washington, D.C.

While some students were vacationing the dedicated Bearcat football team began practicing for a tough season.

Wendy Wilkins represented HHS Thespians in the 1982 International Production of *Grease* held in Muncie, Indiana.

The ever busy Keywanettes took a summer break together in Myrtle Beach, S.C.

FRIENDS FROM FAR AWAY

This year Hendersonville High School was privileged to have three foreign exchange students, two from Sweden and one from Finland.

The year was one of excitement and adventure for Minna Toika, Elizibeth Engleson, and Chris Danielson. They were able to learn about America by spending a year with a host family in Hendersonville. Their reactions to new environments were both positive and enthusiastic. At this time it would be best to let Minna, Chris, and Elizibeth speak for themselves.

Minna Toika, a sixteen year old girl from a small town near Helsinki, Finland spoke about her first reaction to HHS. "It's older than my school at home and I like it because you have many traditions here at this school."

Chris Danielson, from Stockholm, Sweden, was given a new nickname — Timo by his friends here at Hendersonville. When asked how it felt to be a Bearcat, Chris replied, "Bearcat . . . that's great!"

Elizibeth Engleson, a senior originally from Gotheburg, Sweden commented about what stuck out in her mind most about America — the people. With a happy smile, she stated "Everyone is really friendly . . . I'm very proud . . . there's a lot of spirit in this school."

After Hours

The school bell rings and some of the HHS students hurry to after school jobs. The students spend a good deal of time and hard work at their jobs. Sometimes, they may not be able to participate in as many school activities as they would like. Yet throughout the community, HHS is represented by working students.

Other students volunteer their time for special events. These students give their time to offer support and aid to functions throughout the area. HHS is fortunate to have so many students who care about people.

Mike Orr, Jeff Tweed and Randy Edmundson volunteer time for the Henderson County Rescue Squad.

Sally Jane Thompson Top Ads Salesperson

Sally Jane Thompson worked feverishly to sell ads. She created a new record for the top ads sales person — $1,600. For weeks, Sally Jane contacted businesses and urged owners to buy ads. The tremendous amount of money she collected helped to defray the cost of the yearbook. Thanks, Sally Jane for your hard work and dedication!

Flying Free

There is a place I call my own
Where I can stand by the sea
And look beyond the things I know
And hope that I might be free.
Like a bird up in the sky,
Life has taught me how to fly.
I wish that all my life I'd be
Without a care and flying free.
But life is not a distant sky
Without clouds, without rain.
Times goes swiftly on its way.
All too soon we've lost today.
I cannot wait for skies of blue,
Or dream so long that life is through.

— Don Besig

Dear Mr. Orr,

I really can't tell you how much I've appreciated all that you've done for me this year. I enjoyed being in your class and working with you. Senior play was such an exciting time for me. Thank you for letting participate. I'm going to miss you next year. When I come home from Charlotte I'll come up here to 301 and visit you. Thank you again for everything.

Love,

Your autumn bride

Mr. Orr

Well, the big year is almost over and time to write in these books again. Here are few words I thought up for you "There is a place I call my own where I can stand by the sea and look beyond the things I know and hope that I might [redacted] I would share that with you. Thanks for all the [redacted] gave us this year. You put a new light on English for me, but I still hate it. (Just kidding). Remember that time you yelled at me in your office. I still don't know what to say; Oh well, [redacted] stay out of [redacted]

Mr. Orr,

Hasn't it been a fun year? "Marigolds", NCTC, Christmas assembly, and "Moodswing" with my version of the Readers digest "I'm not at all in Love." It was fun but alot of work. I promise if I ever do it again I'll come tell you! Working with you will be something I'll always Remember. I've changed the past three years and knowing you had alot to do with it. Thank-you! I'll be back to visit you! Have a great summer and good-luck with next years class!

Love always,

Cathy Sheehan

Dear Mr. Orr,
Thank you for being so very
special to me this year (I couldn't
have said it better myself!)
Seriously though, I appreciate
how you went out of your way
to be nice to me. I consider
you more of a friend than a
teacher. I will miss you tremendously after we leave. But
I will make a point to come
back and see you.
Love,

Mr. Orr
This page is better
place to begin. How bout
all those silly morning
rap sessions? I really
woke me up fast. I'd
really enjoyed being in
your English class and
working with you on
the plays. We all had
a lot of fun and I
learned quite much.
Now that you're through
educating the rabble
you can retire. What
else is there. Your a
really great friend and
teacher!

Mr. Orr
Well where do I begin.
I really enjoyed knowing
for two years. I wished
it was four years. I think
your the best teacher in the
whole school system. Your
very special to me. I'm
really going to miss you
Yours
Truly
George C.

Well Mr., Our meeting together
about to come to an end.
I've enjoyed getting to know
you the past two years. In
my opinion you are the best teacher
at the high school.
